HANNAH SUSAN JACOB

+91 8714817274 hannahsj.jacob@gmail.com Pathanamthitta, Kerala www.linkedin.com/in/hannahsjacob

PROFESSIONAL SUMMARY

Final-year Bachelor of Computer Applications (BCA) student specializing in Artificial Intelligence and Data Science with a strong foundation in Python, SQL, and data analytics. Experienced in building machine learning models and data visualization solutions through academic projects. Possesses excellent communication, leadership, teamwork, and analytical skills, demonstrated through academic and extracurricular leadership roles, with a strong willingness to learn and adapt to dynamic enterprise environments in an entry-level AI, Data Science, or Analytics role.

TECHNICAL SKILLS

- Programming: Python, R, SQL
- Web: HTML, CSS, JavaScript
- Database: MySQL, MongoDB
- Tools: Power BI, Git, GitHub, VS Code, Streamlit

EDUCATION

BCA AI & Data Science **2024 - Present**

Dr MGR Educational and Research Institute, Chennai
CGPA: 8.32/10.0

Higher Secondary (Class XII) - Science **2023 - 2024**
Newman Central School, Kerala
Percentage: 80%

KEY PROJECTS

Restaurant Analytics Dashboard | Python, Streamlit, Plotly, Pandas

- Developed an interactive restaurant analytics dashboard using Streamlit and Plotly to visualize customer ratings, pricing, cuisines, and restaurant trends.
- Cleaned messy transactional data and performed Exploratory Data Analysis (EDA) using Pandas.
- Delivered key business insights on revenue metrics, customer retention, and high-performing menu items.

AI Insight Evaluation | Python, SQL

- Evaluated AI-generated responses based on accuracy, clarity, and contextual relevance metrics.
- Processed and analyzed evaluated prompt datasets using SQL queries and Python data pipelines.
- Visualized key evaluation metrics to track response quality trends and identify system errors.

Salary Prediction Tool | Python, Scikit-Learn, Pandas

- Developed a Linear Regression model to predict employee salaries based on job-related features.
- Handled feature encoding, missing values, and exploratory data analysis using Pandas.

ADDITIONAL INFORMATION

- **Languages:** English, Malayalam, Tamil
- **Certifications:** IBM Python for Data Science, AI & Development , Institutional Certification in Data Visualization & Analytics using Power BI.
- **Awards/Activities:**

1. Best Performer – Effective Communication & Leadership Skills Program (2025), Dr. M.G.R. Educational and Research Institute.
2. Multi-Year School Sports Champion across consecutive educational institutions
